

Flying an Engineless Aircraft

Powered aircraft pilots face issues when engine loss forces decisions not unlike a glider pilot has routinely trained for. Such knowledge is vital to provide a safe outcome.

Directions: Administration Building on corner of Paularino and Airway, Costa Mesa. Entrance to Commission Meeting Room is from the parking lot in rear of building, near the airport tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
